The updated showroom highlights how Häcker Kitchens cabinetry can be seamlessly integrated throughout the home, with new spaces including a walk-in closet, sideboards and vanities.

## **Häcker Kitchens Reveals Redesign of its North American Flagship Showroom in Miami, FL**

(Miami, FL) March 2026.

Häcker Kitchens, the leading German manufacturer of modern kitchen cabinetry and surfaces, proudly reveals its newly updated North American showroom located in Miami, FL. Displaying new products introduced to the brand's Systemat line, in 2025, the redesigned 3,600 square foot space showcases a refreshed aesthetic while maintaining the same exceptional German craftsmanship.

sideboards and vanities. The showroom celebrates the versatility of the brand's products, demonstrating how cabinet styles, finishes and organizational solutions are interchangeable across a variety of diverse rooms.

AV2040 Satin Lacquer in Natural Fine Oak

Inside the newly renovated kitchen areas and living spaces visitors to the showroom will experience products, accessories and enhancements that were added to the Systemat product portfolio in 2025. New additions and updates include expanded cabinet and drawer options such as the Natural Fine Oak box color, Black Chrome interiors, solid wood drawers and drawer lighting.

Featuring a variety of inspiring room designs, the Miami showroom provides a destination for trade professionals and homeowners alike to find inspiration and experience the artistry and cutting-edge product lines Häcker Kitchens is known for.

## **Häcker Kitchens – The Company**

Häcker Kitchens manufactures modern fitted kitchens that meet the highest requirements in terms of quality, functionality, durability and design. Founded by Herman Häcker in 1898, the family-owned company, now in the fourth generation, supplies more than 60 countries on every continent. The North American headquarters is located in Miami, Florida. State-of-the-art production facilities allow the company to meet customer requirements down to the last detail. Häcker Kitchens is the first kitchen furniture manufacturer whose entire product portfolio is climate-neutral. Throughout the years Häcker Kitchens has represented consistent values in times of globalization, characterized by a high sense of economic, ecological and social responsibility, always emphasizing the company philosophy: Made in Germany. <https://www.hackerkitchens.us/>
