Häcker Kitchens Set to Unveil a Spectrum of Impressive New Designs at KBIS 2025

(Miami, FL) February 2025.

Häcker Kitchens, the leading German manufacturer of modern kitchen cabinetry and surfaces, is set to make a triumphant return to the 2025 Kitchen & Bath Industry Show (KBIS). Taking place at the Las Vegas Convention Center from February 25 – 27, 2025, Häcker Kitchens will showcase an exceptional lineup of new styles and innovations at its exhibition space, booth #N3451 in the North Hall. Attendees are invited to explore a range of innovative displays featuring new products and cutting-edge designs.

“Häcker Kitchens is excited to return to KBIS in 2025 with a diverse portfolio of new products and innovations,” states Andreas Gommeringer, President of Häcker Kitchens North America. “We look forward to welcoming guests to our booth to experience our upcoming launches, designed to meet the desires of today’s homeowners and the latest trends in interior design.”

Tactile Detailing: Rattan Door Styles

Press Release

A modern twist to a timeless design, Häcker Kitchens presents its Rattan door styles, a sophisticated blend of natural textures and innovative craftsmanship. Inspired by classic rattan and wicker furniture, these door styles feature rich, tactile textures that create a grounded, organic feel in the kitchen. Combining functionality, sustainability and aesthetic value, Häcker Kitchens' Rattan door styles are available in three refined finishes – Elegant Oak, Elegant Walnut and Black Oak – offering an exclusive look that elevates the visual and sensory experience of any kitchen.

Contemporary Elegance: Facetted Door Styles

Häcker Kitchens' Facetted door option presents a modern, minimalist design perfect for those seeking a contemporary, sleek aesthetic. This style showcases a unique geometric

design, creating a prism-like angular appearance. The Facetted door is available in over 1,900 NCS (Natural Color System®) shades, as well as 190 colors from the RAL program, offering unparalleled customization and versatility.

Timeless Luxury: Granite Door Styles

Sleek and stylish, Häcker Kitchens' Granite door styles provide a timeless design that effortlessly blends high-quality aesthetics with modern flair. Available in two stunning shades – Beige Granite and Dark Grey Granite – this style showcases the unique veining and color patterns of natural stone, while maintaining the functionality and convenience Häcker cabinets are renowned for.

Natural and Neutral: Sand Grey

Häcker Kitchens introduces Sand Grey, a versatile and neutral hue that adds a soft, calming ambiance to any space. Its understated elegance and natural, earthy tone establish a harmonious connection to nature within interiors. This sophisticated shade is available in several of Häcker Kitchens' popular styles.

Additional New Innovations

In addition to the exciting new door styles on display at the Häcker Kitchens booth, several other notable highlights will be featured. These include a 24" standard depth for all cabinets, along with the Slim Line Drawer (SLD) Box System with 5/16" sides, offering a sleek, elegant appearance without sacrificing quality. Drawer lighting for the SLD system is now included as the new standard for all kitchen orders at no additional cost. Visitors can also explore a new box color, Natural Fine Oak, as well as solid drawers in Natural Oak. Other innovations include a new pocket door system with a push to open mechanism, glass tray pull outs available in Black Lacquer, Graphite Lacquer and Orange Lacquer and a new additional interior equipment color option: Black Chrome.
